

WARREN COUNTY GENEALOGICAL SOCIETY
NEWSLETTER

January 1980

Hi!

This month we have a newspaper instead of a long letter! We are featuring queries from the letters that accompanied orders for the book. If you have anything that would help any of these people, let them know. I am sure they will appreciate it.

Orders continue to come in for the book and we are progressing towards the goal of publication. There is still a lot to do, so if you can help -- let us know! BARB
