HELPS

MAINE - Send queries on Maine connections on 3 x 5 cards. Capitalize entire names, using standard genealogical abbreviations for information such as b. and d. Mail query to Lauralee Clayton, "Your Side of the Family", Courier-Gazette, 22 Main Street, Camden, Maine 04843. Send SASE to find out what date your query will appear. Copies of that issue may be obtained by writing the paper.

ILLINOIS - Free queries, as a service of the Dewitt Co. Gen. Society, appear in the Dewitt County Observer, Clinton and the Farmer's City Journal, Farmer's City, Illinois Weekly. Queries should be typed, and should deal with central Illinois. Mail to Fern Lane Briggs, Box 329, Clinton, Illinois 61727.

"MICHIANA ROOTS" is a genealogical column published each Sunday and prints inquiries (free) in re ancestors from northern Indiana and southern Michigan. Write to: Michiana Roots, South Bend Tribune, 225 West Colfax, South Bend, IN 46626.

DID YOU KNOW?

In Wales, the prefix AP, denoting son, was generally used. Thus John, the son of Rice was John Aprice, abbreviated later to PRICE.

Our attention has been called to the fact that postal rates were increased Jan. 1, 1981 to foreign countries, or to any international address. Be sure to check with your postoffice before mailing. Do not send U.S. stamps or stamped envelopes for return mail as they can not use them. Send international reply coupons which they can redeem for their own stamps.

DANISH IMMIGRANT ARCHIVES, Grandview College, 1351 Grandview Ave., Des Moines, IA 50316, and the Danish American Heritage Society have undertaken a project known as Danish Immigrant Archival Lists. The aim is to aid researchers to know whether or not an item exists and where it may be examined. If you know the location of any Danish immigration material, would you please let them know.

GERMAN INTEREST GROUP: This group is being considered as an auxiliary to the Iowa Gen. Soc. There has always been a German Interest Group as a branch of the Minnesota Gen. Soc, which the IGS Interest Group could perhaps be patterned after. The University of Keil is conducting an extensive 10-year project to investigate the interplay which has taken place between the Schleswig-Holsteiners and immigrants from the northern area of Germany. If interested write Scharlott Goettsch Blevins, 2003 East 12th St., Davenport, IA 52803. (This is from the newsletter of the Madison Co. Gen. Soc. of Winside, NE.)

April 22, 1981, Willard Heiss, Chm. of the Family History Section of the Indiana Historical Soc., was the speaker at the spring meeting of the Iowa Gen. Soc. at Ames. He spoke on RESEARCH IN THE OLD NORTHWEST, which included Ohio, Indiana and Illinois. Thelma Pehrson, Marieta Grissom, Willa Jean Grissom, Louise Pilmer and Maude Wilkins from our Warren County Genealogical Society attended.

The two pages following were omitted last month. They finish the list of materials in our Warren County Genealogical Library at this time.
