of WCGS at Trinity Presbyterian Church, September 29 and October 1,
1, 1981.

ANNOUNCEMENTS

1. Congratulations to our president, Barb Rasko, for her election
to the Indianola Board of Education.

2. Congratulations to our member, Charlotte Rice, for organizing and
gathering her Daniel families together for a reunion September 5,
6, and 7, 1981 in Winterset City Park. Some Daniels brought campers
and enjoyed three days of reminiscing. A few went "cemetery-
hopping" in the nearby Madison County cemeteries where many relatives
were buried. A collection for a gravestone was started for Daniel
grandparents. Nice things result from these reunions!!

3. The Quarterly meeting of Iowa State Genealogical Society on
September 12, 1981 was attended by Louise Pilmer.

4. The Iowa State Genealogical Annual Conference will be held
October 30-31, 1981 at the Shemann Building, Iowa State College,
Ames, Iowa. Keynote speakers will be James B. Bell, Director and
Librarian of the New England Historic Genealogical Society, Boston,
Massachusetts, who will lecture about "New England Research". David
Pratt, Associate Professor of History at B.Y.U., Provo, Utah will
lecture about "Scotland and Ireland Research".

Remember, the exhibits give us an opportunity to view materials
of many genealogical book companies. This is an excellent
opportunity to buy needed supplies for record keeping and to view
the latest publications. Plan to go. Detailed plans for
transportation will appear in the October newsletter.

5. A fifteen-page booklet of types pages and many pictures of
the "Daniel Family 1881-1981" by Charlotte Rice has been donated
to the WCGS library. Good idea!

6. October! Reunion Report Month. Do you have one ready to print
in the newsletter. We hope there will be so many ---that we must
continue printing them through Nov. and Jan.

7. New Sales Catalog of IGS is printed and on display at our
September 21, 1981 meeting.

8. IGS now has 10 volumes of indexed pedigree charts in the library.
If you haven't prepared and sent yours in do so soon. You may find
another valuable family link.

9. Lucas County has a new "Cemetery Book 1850-1980" ready for sale
@ \$20.00 (plus \$2.00 postage). It is a 364 page hardback, fully
indexed and with maps. Send money payable to Lucas County Genealogical

The above twenty-one men represent the number who were naturalized in the ten year period 1862-1871. They are all men because women of the family of a naturalized man automatically became a citizen of the United States. Many of our ancestors stopped long enough in Pennsylvania, Ohio, Indiana, etc for several years before moving westward into Iowa. My own great-grandfather from Scotland was naturalized at New Lisbon, Columbiana County, Ohio. If your ancestor naturalization file isn't recorded in Warren County, then check in the county seat of the state where he resided.
