OCTOBER 1982

MEETINGS: Monthly, 3rd Monday at 7:00 P.M., Trinity Presbyterian Church, Indianola  
NEXT MEETING: November 15, 1982  
DUES: \$5.00 per person, \$7.50 per family, payable April 1 each year.

THANK YOU EVERYONE for making the September meeting a success. There were 39 members and guests who signed our guest book and heard Ed McConnell, head archivist for the State of Iowa. Madison, Marion, Polk and Lucas counties were represented as well as guests from the Warren county area. Mr. McConnell reported on what records the state archives hold for a genealogist. These include land, school, military, criminal, legal and naturalization records. He also has the Sanborn maps which show street and building layouts for over 1000 Iowa cities and towns from the 1870's to the 1970's. If you missed this meeting and would like to hear the tape recording, call Barb Rasko.

ANNUAL FALL WORKSHOP was held on October 4 & 7. Eight persons attended: Ruby Beltz, Patricia Swain, Dorothy Moorman, Enola Disbrow, and Emma Whitlock from Indianola, Jeanette Leach from St. Marys, Judith Holland from Norwalk and Meriam Lyman from Runnells. Thanks to all who worked on this project: Twilla Dillard, Barb Rasko, Willa Jean Grissom, Sheryl Ledlie, Marieta Grissom and Molly Bowlin. Packets of starter material are still available from the workshop for \$3.00. Let Molly know if you would like to have one.
