QUERY: Seek descendants of Thomas McCLURE, b. ca 1795, VA & his
McCLURE wife, Ruth ALLEY, b. ca 1802, VA. Both died in Warren Co.
ALLEY in the 1870s. Also seek information on their daughters,
BOULDEN Elizabeth McCLURE BOULDEN and Polly Ann McCLURE WEST.
WEST Am researching the McCLUNGS of Richmand, VA and ROGERS'
McCLUNG of Nichols Co., VA (1850). Both families moved to MO.
ROGERS When? Where? Janice M. Dingler, 3433 Kenneth Drive,
Palo Alto, CA 94303.

Need a map of a particular county in Illinois? Write: Department of
Transportation, State of Illinois.

Have an Ancestor that was Born or Died at Sea? If so and he/she was
on a British vessel between 1864 and 1921, records may be obtained
by writing to the Registrar General, Custom House, Dublin, Ireland.
If the birth occurred at sea, date and recorded if at least one
parent was Irish; in case of death, the date, age and sometimes add-
itional information was recorded. Another source for births at sea
on British vessels from 1586 to the present is St. Dunstan's Parish
London, England. From Tuolumne Co. Gen. Soc., Sonora, CA

NATURALIZATION RECORDS: The first Naturalization law was in 1790.
Other major laws came into effect in 1802, 1824, and 1926. If using
Naturalization Records for research there are 3 different certifi-
cates: 1) Declaration of Intention, 2) Petition for Naturalization,
and 3) Final decree. Of these three the one that will be beneficial
to genealogical research is #1 - Declaration of Intention. To re-
ceive this information first write to the Court House in the County
where Intention was filed. Naturalization papers are kept by various
record centers. Each State and County differ. You will have to do
some research to locate where your desired record is filed. From:
