BUSINESS DIRECTORY AND NAMES FROM TOWN MAPS 1872WARREN COUNTY ATLAS

To locate a name on the 1872 atlas, please check the two letter code from the index, then using the township or city name or the township and range numbers, turn to the correct map. The western and southern tiers of townships were plotted into square 36 section townships. The northeastern part of the county was unevenly divided, and you will need to check the map to find the correct township in which your ancestor lived.

## HELP WANTED. . . VOLUNTEERS FOR COMMITTEES

It is again time to organize our committees for the new year. We need help from everyone to keep all of our projects going. Hope we can count on you again to serve on one or more committees as your time allows. Thank you!! Molly

**PUBLICATIONS COMMITTEE:** Editor as chairman, with the librarian and president as committee members. This committee is filed under the by-laws.

**PROGRAM COMMITTEE:** Consists of vice president as chairman and three members, each to serve three years, with one retiring each year. Twilla Dillard, V.P., Barb Rasko, Charlotte Hardin serving and Willa Jean Grissom retiring. One member needed. This committee handles arrangements for the meetings of the society and plans programs for the upcoming year.

**LIBRARY COMMITTEE:** Consists of the librarian as chairman, (Louise Pilmer) and three members to index, arrange and maintain the library of the society. Receives contributions of microfilms and books and purchases such as is deemed advisable. Presents to the editor for printing a complete list of such films and books purchased or received during the year. (Need three members)

**SPECIAL EVENTS COMMITTEE:** Composed of six members to plan, organize and man a booth at the fair and other events to inform the public of the value of genealogy and the need to preserve county and state records for future generation. (Six members) We also draw help for manning the fair booth from the entire WCGS membership.

**RECORDS COMMITTEE:** Consists of a chairman and three members to co-ordinate the collection and publication of records. Louise Pilmer and Maude Wilkins continue to co-cha r this project and enlist the help of as many members as necessary to complete the task at hand.

**ADVERTISING COMMITTEE:** New committee to get the mailings and advertising out on the Birth records book. 5 or 6 members.

**TELEPHONE COMMITTEE:** We used two chairman and eight members on this committee last year so no one had to call over three or four people. If you have a phone and a little time to make a few calls, we need you.

**HOSPITALITY COMMITTEE:** Chairman and two or three members to organize refreshments for special meetings. (Cookies, coffee & serving)

**MEMBERSHIP COMMITTEE:** Chairman and two members to get together and prepare a letter inviting our Century farm people and Warren county IGS members to our meetings, and to submit family group sheets or lineage charts to our library, and also to invite them to be members of WCGS. 2 or 4 members

**GUEST BOOK:** A dependable member who attends regularly to carry the guest book to each meeting.

**SUNSHINE COMMITTEE:** Volunteer to be responsible for sending cards to ill members.

We will soon be working again on our obituary project and will need many helping hands to help with glueing hundreds of obits onto acid free paper, with our newly purchased acid free glue. We still have many old newspapers to check for obits and other genealogical information.

It looks like another busy year with our birth book going to the publisher, the fair exhibits, obituary project, and maybe even the HISTORY book project!!!!!!
