Y E A R !

Well, fellow genealogists, it's 1993 and what plans do you have for the new year? Did you get information on a family last year, a date on a last name you needed? Now is the time to start to fill the gaps in your family tree. Maybe Vicki will give us assignments to do like Enola did last year so we will keep searching.

Our corresponding secretary had a nice letter from one of our members and this is her offer:

"I have recently purchased two computer disc's of early marriage records - Illinois to 1825 & Georgia to 1900; and a book: Early Records of Fishing Creek Presbyterian Church which has some records of Chester County SC from 1799-1859. This includes the cemetery list for the church.

I would be glad to check for surnames for members of the gene society if they would send me a SASE with the name and/or other vital data. A postcard with their phone number would also work out for me. As you realize, I don't have a computer up and running all the time and I could call them when I have the time. /s/ Georgia Walker, 1700 Seale Street, Des Moines, IA 50317-2926"

Now you can't beat that for an offer of help!!!

Pete and I hope to get away to AZ and TX for a few weeks so part of this newsletter will be done by others. We've talked of some things we could use to help our members both here and away so any suggestions would help. Queries will also be printed as received. We also will continue to use informative items from other newsletters and societies.

You may want to check out some of the new books and items given to our Indianola Library in the Genealogy Section. Elaine and others have made some changes and they think it will help each of us better find what we're looking for so go in and browse.

Did you know WCGS Sunshine Rep. is Doris Lawson?

BEST WISHES TO EVERYONE IN 1993!!!

## WHERE THE IMMIGRANTS SETTLED

### ONE MAN'S FANCY →

A genealogist is he  
Who plots another's family tree.  
To him it is a pleasant core  
To recreate the days of yore.

His time is spent with musty tomes  
In attics of ancestral homes.  
Libraries know him -- there he finds  
The latest works of kindred minds.

He'll give up parties gay to be  
Where there is opportunity  
To check the tombstone of John Doe  
In some graveyard of long ago.

His people think he's queer, I guess.  
And find his records quite a mess  
But he can help the D A R s  
To gather bars -- and bars-- and bars.

And, though it may seem very strange,  
No genealogist would change.  
He's happy at his chosen task.  
What more could any mortal ask?

The Galloway (Meharen) Funeral Home was closed in 1992. These records were compiled by Mrs. Dolly Flinn, of Cumming, Iowa! It was a voluntary project and one we thank her gratefully for!
