NEWS FROM THE EDITOR:

With pleasure, our society received the following letter from long-distance member, James E. SHERRIFF:

"I always enjoy the publication of the WCGS and find it interesting and informative. However, I want to correct a listing that appeared on page 42 of the Sept-Oct issue Vol 22, No 5.....the list shows SUMMERSET as established in 1872. Actually, a post office was established at SUMMERSET on April 9, 1850. (Then SUMMERSET was in Polk County.) Only two Warren County Post Offices were established earlier - Indianola on Aug 4, 1849 and Dudley (now Carlisle) on Jan 17, 1850, when Dudley was also part of Polk County. My mother was born Alice BROWN in 1882 near SUMMERSET. She married first Clyde PATTERSON and second, my father, Thomas SHERRIFF. She lived to be 96 and had a clear mind filled with historical data. Her mother, Amelia DISNEY, came to Iowa in 1850 with her parents, George and Ann DISNEY. George was a blacksmith and local preacher and died after riding in rain in 1855 to visit a dying church brother. His wife, Ann Elizabeth ANDERSON DISNEY, died on 14 March 1856 soon after giving birth to a post-humous baby boy, leaving Amelia as an orphan at age 8. She worked for Dr. DASBIEL in Hartford and then for the THOMPSON's and then for Abe and Sophie SHOEMAKER in Carlisle where they had a store and kept an inn. She met my grandfather there and they were married in Des Moines in Jan 1869 by his cousin, Phineus BRAZEE, minister of the First Methodist Church. (BRAZEE later founded the Church of the Nazarene.) Mother told me that according to her mother, her great-uncle, Mordecai DISNEY, as a skilled blacksmith, converted the saw mill (which had furnished umber to build Ft. Des Moines) to a grist mill and worked as a miller for the owner, Mr. PARMALEE. (Mordacai DISNEY went to the California Gold Fields in 1851.) Mother told me that the grist mill at SUMMERSET was the only mill west of Oskaloosa and that farmers came for miles to their grain milled. She said that for a few years SUMMERSET was a boom town with saloons and inns to serve the waiting farmers."

THANK YOU for this wonderful information about the early life in Warren County!!!
